By Appointment.

POST CARD

CARTE POSTALE.

POSTKARTE.

Suburbs of Matanzas. Matanzas is a clean, healthful city, situated on the shores of a picturesque bay. In its vicinity are the two most fascinating places in Cuba—the marvellous caves and subterranean galleries of Bellamar, which are lined with wonderful formations of stalactite and stalagmite; and the delightful valley of the Yumuri, noted for its beauty. The fashionable quarter is in the suburbs and contains the villas of the wealthy class.
